

STYLED Shoot

"CITRUS AND BLOOMS"

We wanted to showcase a bright and cheery citrus themed wedding for this shoot! We wanted to contrast the historic venue; Mustard Seed Hill's traditional look by planning something unexpected and we thought the best way to do that was to let the colors run wild! We drew our inspiration from nature's oranges, blood-oranges, lemon-yellows, grapefruit pink and vibrant lime greens that translated into vivid florals and sliced citrus fruits throughout. This color pallet along with the sleek gold & white flatware and solid white chairs helped us achieve the ultra-modern, chic outdoor brunch wedding look!
